Family and Friends, I am so devastated with your/our loss. I LOVE, LOVE, LOVE Lora so very deeply. She and I connected right away when I started working at HQY. She is like a soul sister. We had so many laughs and nice memories. We wanted to drive Rte 66 when we retired and take a Delta trip on her mileage to meet her sister. She supplied my family with hand sanitizer and earbuds for our Japan trip. She was always willing to help everyone and anyone who need it. I am not sure how to handle not having her advice and cheerleading for me in my life. My heart is broken. She will be watching out for us all from another place. Love you, Lora! I'm waiting to see you again.

I never had the pleasure of meeting Lora in person, but, having worked with her husband, Michael Beedie, for many years, I feel like I got to know her through him as Michael's love for her frequently came through in conversation. While this is a heartbreaking loss for an incredible family, I know they have the support and love from so many family and friends. Love to you Beedie and your daughters!
