Lorie lifted everyone around her with her genuine love and testimony, and it was a privilege to learn from her example. I can’t believe how blessed and lucky I was to get a seat on that train as the doors were closing. Her faith in and love of the Savior were inspiring, and she absolutely loved to teach and serve. I will forever treasure precious memories with Lorie, and our sweet friendship and sisterhood. My heart and prayers are with all of you, wonderful Longaker family. May every tender mercy sustain you.

Dear Black and Longaker families, I am so very, very sorry to read about Lorie's passing. I have many happy memories from our shared Glenmoor ward experiences and middle/high school days at Bingham. Although years have passed since last seeing Lorie, it has been a joy to stay connected on Facebook and see how much she clearly loves her family. Such a great, great person! I will always appreciate her kindness and friendship during our teenage years. I was hoping for a chance to catch up at our BHS 40th Class Reunion later this summer...You will all be in my prayers. Love, Jim Margetts Chadron, Nebraska

I have great memories of Lorie in my youth. One memory: When our parents would go out to dinner together the kids were left behind to entertain themselves so we would have a make believe general store. I don't remember details about what we would sell but it was probably her idea or maybe it was mine. I wish we would have had camera phones back in those days. I am sure many have their fun and cherished memories. I am sure she will be

missed by all who knew her and loved her. Wishing you comfort and peace during this difficult time!

I was out working in my yard a week or so ago and memories & thoughts of Lorie specifically came to me seemingly out of nowhere. Time spent as children playing games and family get togethers have fond memories for me with Lorie and her family. Impressions came again and again over the next few days without a reason why. Seeing this tragic news now made sense. While in Christ the sting of death is swallowed up, her transition from this life to the next does hurt my heart and I morn with/for her amazing family. Parents should not have to out live their children. Lorie is an intimidatingly beautiful woman who I always admired. I was grateful to hear of her faithfulness in the Lord. She is a treasure and my humble pray is that the Spirit of God will comfort those who love and miss her with all their heart.

Lorie and John are awesome, caring people. Lorie will be missed. Through Lorie's illness, they demonstrated what it is to persevere and always be mindful and thoughtful of others. Our thoughts are with John and family. John was an amazing caregiver and his love for Lorie manifest each day in all the actions he took. Our work family is truly saddened with Lorie's passing.

Dear Black and Longaker Families, We are so sad to learn of Lorie's passing. Our dear friend, Ginger Miller just told us the sad news. Although we were never privileged to know her, knowing Gary and Karen gives us some idea of what an extraordinary person she would be. Our hearts are full of love and sympathy at such a great loss to your families. Seeing the lovely pictures, video, and messages has touched our hearts, and we want you to know we share your sadness. How would we ever survive such losses without the Atonement of our Savior, Jesus Christ. We know His love and the comfort of His Spirit will surround you at this time of sorrow.

We are so sorry for your loss. Your family will be in our prayers.
