The call was sudden, and the shock severe, to part with your Son who was loved so dear. Sometimes it’s hard to understand why somethings have to be, but in His wisdom, Our Heavenly Father has planned beyond our power to see. My sincere condolences to all.

Denise and Pat- As. I read the obituary, I can see so much of each of you in Brian. I would have loved to have heard him sing. I am so sorry he left at such a young age. I realize how I need to embrace every moment in life with my family.

We are so sorry to hear of Brian's passing! We know this is such a hard thing for everyone and we are so saddened to hear of this. We remember Brian as a kind and gentle soul who was so easy to get along with. For Pat and for Denise: You know we have gone through this and we mourn with you. We pray that in time you will find peace - please trust us and know that there is peace to be found even after losing a child. Or a husband, for his wife. You will always miss him and there will be someone always missing, but acceptance will come and you will grow strong as you carry this burden. Look for ways that he is aware of you and knows the things you need. God is in His heaven and Jesus Christ will some day bring him back to you.

I hope this finds Brian's friends and family well. I met Brian once when I was in junior high. I was at the mall with some friends when we bumped into him, and I bought a copy of I Will Stand On My Own for $3. I still have that CD,

and I still listen to it often. "Someone To Notice Me" has been one of my favorite songs for almost twenty years now. Every now and then, I'd think about the guy at the mall and wonder what became of him. I was saddened to learn of Brian's passing. I only met him once, but his music touched my life in a way I never expected. Nearly two decades later, his songs are still with me, and I'll always be grateful for that. Thank you for sharing him with the world.
