

Louise S. Davis

November 16, 1932 ~ September 18, 2023

Love you, Lulu. Thanks for all the love and support you've given your angelface grandchildren all these years. You will be missed, but I'm sure you're having a wonderful reunion with Grandpa on the other side.

- Andrew Naylor

Love you lots from one of your angelface grandchildren. Can't wait to see you again someday.

- Kate Manning

We were saddened to read of Louise's passing. We were part of the South 20th Ward group that included the Sharp, Fox, Bennion, and Davis families. We have known and loved the families through the years. We remember fondly all the activities of the South 20th Ward and since. May you be blessed with comfort and peace at this time. Our love to you. Clarence (deceased), Virginia, and Rob Udarbe
