Carrie Ann Bassett

20 July 1979 - 26 December 2025

Carrie Ann Bassett, age 46, passed away suddenly due to health complications on December 26, 2025. She was not alone; her son and life partner were by her side.

Carrie loved her family, all cats (especially tigers), coffee and art. She was very artistic in many mediums, especially playing guitar. Her smile and laugh were infectious. She was always saving every cat she came across; you might have even helped her save one by bringing it into your home.

Carrie is survived by her boyfriend/life partner Paul Peterson, son Linkton Peterson, dad Evan Bassett, mom Myra Bassett, brother Tony Bassett and sister Shellie Bassett. She was preceded in death by Baylee Parks and her grandparents.

She is loved and will be missed. In lieu of flowers, please save or sponsor a cat.

Carrie’s family is planning a celebration of life in the near future, which is yet to be determined.
