Dear Milo, I want you to know that I understand your grief at the passing of your lovely wife Lyndia. She was truly a wonderful woman. Sonnie and I enjoyed our friendship with her and of course with you. I have so many fond memories of our times together at your home or mine. I understand your grief, having been through the same thing five years ago. Please let me help you in any way that I can. I am your good friend. Keep your chin up. Sincerely, Frank Heyman

I am so sorry for your loss! Lynda was a beautiful person and will be missed deeply by all who knew her! She had such a positive outlook and things were always "Terrific!" Her love for travel was actually contagious. I loved listening to all her stories of travel and wanted to plan my own. Her family was everything to her and my heart goes out to each of you, though we may not have met in person. I had the honor of being Lynda's hairdresser for many years. I saw her through the thick and the thin. I am a better person from knowing her! With Love, Carla McKee
