My friend. I will always remember the first day we spoke. I will always remember the hundreds of miles we walked around Nolen Park . I will always remember when you told me you were having a second baby! What a miracle! I will always remember the day you left a pink note in my mailbox letting me know you were having a baby girl! The love for your kids was palpable. I was blessed to know you and have you as my friend. We will keep Lance, Coleman, and Paige in our prayers. ♥■ Kiran

Doug and Bonnie It was such a privilege to attend the virtual broadcast of the services today and to feel the spirit of love and peace that was present. I was sorry that I could not attend in person. You have a beautiful family and I was so touched by the tributes to your beautiful daughter Britaney. Please accept my deepest condolences. All our families were so involved in our years at Bingham, it is an especially tender loss when our children leave us too soon. May the comfort and company of angels abide with you and your loved ones. We send all our love. The Khong Family

Mi amor y oraciones con ustedes. Tu Mamy era un ser bello de luz al cuál uno ama desde qué la conoces. Aún no puedo creerlo tiene poco que vino a México y fué muy doloroso recibir la noticia. Tengo un cariño muy especial por tus padres porque son extraordinarias personas. En mi altar de día de muertos cada año la tendré presente para honrar su recuerdo cómo parte de nuestras tradiciones. En México siempre se le va a recordar con amor y una bella sonrisa.
