

Brock Harold Young

March 23, 1948 ~ May 14, 2022

Dear Young family, I was so sorry to hear of the passing of this fine gentleman. Brock was my Field Training Officer and I admired him greatly as he taught me not only how to be a good officer but at times set me straight on my life's path. My success in life has Brocks hands in the mix. Thank you so much for sharing him with us at the police department. Sincerely, Capt. Rich Lewis

Brock was one of a kind. A professional through and through. Loved that guy. Former Marine myself but NOTHING compared to what Brock did and was.

Brock was a fantastic guy. It was an honor to serve with him on the SLCPD.

Its been a few years, but Brook and I were pretty good friends, he was a good guy and always ready to do what ever needed to be done. Brook was also the type of cop you were glad to have around. He will be missed, God speed my friend.

To say Brock was one of kind, somehow is an understatement. He taught a lot. He was a good man.?

Brock was and is a great American and Marine. The world is less one good man today! I'm sorry for your loss!!!! A fellow combat Corpsman Dale!!

I always considered Brock to be a friend. Had some hilarious times with him on a couple of occasions when he came on some deer hunting trips with my brother and me. We introduced him to grouse as an opportunity for some camp meat, but he kept referring to them as "grouts". I think we finally got him squared away on that. Brock was one of a kind and will be missed. RIP, brother.

Brock once invited me to his house. We talked about Tun Tavern and his life and adventures. He was really something. I loved his stories about Tripoli. He was brave and a true patriot. He was also fun to work with in Traffic. He could be hilarious! RIP and thanks for your service. His service was amazing.

Brock was for the past 18 years much like a big brother to my family. His advice and friendship was and is a great blessing. We are grateful for the good friend and confidant he has been and for his attention to detail, his pragmatic approach to problem solving. He seemed to always know what not to do and looked out for us and his other neighbors like a sentinel. His spirit will always be a part of our lives. We're very grateful for his life and service to his country. May God always bless you, his family.
