Brandi, I was so sad to see that your sister had passed. I remember the fun banter the two of you had but yet you also knew you were best friends! So sorry for your loss. Lots of love to you and your family!

Prayers to your family. I have so many found memories of Brooke growing up. Most of them revolve around her laugh and smile.

Brooke, I will cherish our carpool talks to work, Sushi girls' nights, the sound of your laugh, really everything. You were kind to the core, always took care of others and were one of my treasured friends I made in Utah. I am smiling knowing that you are holding your sweet, Lauren. Prayers always for those you left behind for now. Love you forever friend.
