I'm glad your dad has graduated this mortal life. And is reunited with Terri. I'm glad he's healthy and strong again and clear of mine. He was a very nice person and we enjoyed his friendship very much.

I am so sorry to hear this news. It's never ever easy to lose a parent. Sending love, hugs and prayers to you and your cute family. Chris Osborne

We so enjoyed Bruce and Terry's friendship from the time they moved to Salmon til they left. The Sunday "dinners" of waffles were some of our fondest memories. The get togethers at their home were special too. I'm so glad they are now together again and healthy.

I have such fond memories of Bruce and Terry when we lived in Park City. Bruce always had a smile on his face and was willing to help with whatever was needed. Hard to see this generation go as they were such hard working, down to earth people. Sending love to the entire family as it's always so hard to lose those we love.

Dear Wallin family, I am so sorry, on this day I just learned my dear cousin Bruce has passed from us! I did not know and I am so sorry of that! Bruce was CNN my playmate as a young child living almost next door to him in Murray Utah! I love my cousin all Wallin boys and was a resident of Western Idaho for the longest time off my life! I am sorry we were not as close in the latter part of our life as in the beginning. If you have memories and things you would like to ask or tell me in my latter life, I would be happy to answer or listen to! Thank you , Connie Burgess in

Bluffdale Ut. God Bless you all!
