My sympathy to the family of Maria Chacon. Never met her but through knowing her son Antonio and meeting brothers Frankie and Danny, I know she was a dear mom to her sons and had a kind soul. God bless Maria!!

Sending my deepest condolences to my nephews. May Jehovah God give you the strength to endure during these difficult moments. “and the peace of God that surpasses all understanding will guard your hearts and your mental powers by means of Christ Jesus.” Philippians 4:7

- Carolina Martinez

I really wish I could be there if I was there in San Francisco. I would’ve flown out to be there for you. I will miss your mom a lot. She always spoke to me very nicely and so glad that I was friends with you. I know this sounds weird, but I know she’s watching and when I get back, I think we should dedicate a couple of movies and watch them for her. We’ll watch what she liked. She was the same age as I am now . She will be sadly missed a great lady, a gentle lady And she is smiling down from heaven and put a good word in for me Antonio love and miss you, love Richard
