Cody Jack Lee

April 3, 1985 ~ December 20, 2014

Our beloved son, brother, and friend, Cody Jack Lee, passed away on December 20, 2014. Cody was born on April 3, 1985 to James Russell and Renee Marsden Lee in Salt Lake City, Utah.

Cody\s love of competition led him to many years of soccer, boxing, ping pong, poker, and a lifelong passion for chess. His ambition led him to become an Eagle Scout, serve as a U.S. Marine, and earn his private pilot\s license. He will always be a beloved son, brother, and friend. His idealistic mind and loving heart were wrapped in a gruff exterior. Those who knew him well could not help but love him. His facade of indifference, belied by a deep compassion and a sarcastic sense of humor that will be missed. He has left a bigger hole in the hearts of those who knew him than he will ever know. Those who loved him will not remember him by his tragic end, but by the memories he has left with them.

Cody is survived by his parents, James and Renee Lee; brothers, Damion, Levi, and Thomas; sister, Morgan and her husband Shaun Lowder; aunts and uncles, Terri Lee, Ron Lee, Laura Lee Bergen, Jess and Diane Burbidge, Brian and Luann Marsden, and their families. Preceded in death by his grandparents, Jack and Maurine Lee and Clyde Skeen and Margaret Marsden.

A memorial gathering to celebrate his life will be held Saturday, December 27, 2014. Feel free to stop by anytime between 6-9 p.m. at Larkin Sunset Lawn Mortuary 2350 East 1300 South, Salt Lake City. Brief goodbyes will be said around 8pm.
