

Marian Gertrude Feil Frost

May 18, 1938 ~ December 29, 2024

I am so sorry for your loss! Marian was and will always be a light in the darkness. She had such a sweet spirit and was so loved by everyone she met and knew. Her kindness touched my heart as I am sure she touched everyone's lives that she knew. She will be greatly missed. I am sure she was welcomed with many open, loving arms as she went back home to our Father in heaven and her family that was awaiting her arrival. I love you so much Marian, you touched my life in so many ways, taught me many valuable lessons and I will always be grateful to have known you. Love, kindness, acceptance & forgiveness is all that truly matters in this life. Life is very short, while you have the time, love those who need to feel loved, forgive and forget those that hurt you and love with all of your heart and soul, we are all one big family helping each other return home. Thinking of our good friends, Drew and Julie, knowing the loss of a parent is never easy. But most thankful for His plan of being together again one day. We love you and grieve with you and do so with gentle smiles and wishes of peace and happiness for Marian and her posterity.
