What a beautiful picture and a beautiful lady! I know with time and failing health things change but I will always think of her sitting on your porch petting Harley and the joy it brought to both of them! My sincere condolences and love!

I’m so sorry to hear about aunt Ginger. I have so many wonderful memories of her and your whole family. All the holidays and trips to Lava. And her wonderful cooking. Love you Deanna and Shanie!

I know we have never met in person Ginger, but I'm sure your family in heaven greeted you at the doors..including my momma RIP
