Dec. 24, 1931 ~ May 7, 2022

Bruce was a great man and dear friend. God be with you in this time of loss. He lived great and he's enjoying time with JoAnn.

Connie, Sandy and Jennifer We are thinking of you at this tender time. We remember your father well-especially his pine wood derby cars! We have so many memories of each of you during our Canyon Rim years. What a full and successful life your father lived. May you find comfort as you reflect on happy times and fond memories. We will miss Bruce. I enjoyed his fun sense of humor and the oak tree starts that he passed along. He's a good man Tom & Maureen

Connie, Sandy and Jennifer, You already know this: your father is a special one-in-billion person. He and JoAnn lived life to the fullest and made everyone's life around them better. I miss them both but happy to know they are together again. With love, Paul and Julie Johnson
