

Marilyn Larkin Leckie

April 6, 1951 ~ July 7, 2024

You are truly a angel Aunt Marilyn!! Enjoy your reunion in heaven with Grandpa, Grandma, and Darrell. May you dance upon the heaven in that embrace. Much love goes to Uncle Joe and children. You where and still are a beautiful spirit!!

- Angie Jones (Petersen)

Marilyn and Jo were our friends in the Australia Sydney Mission - we loved them. We served together, explored together, laughed and wept together. Marilyn spread joy and faith wherever she went. She was an asset in the mission and was loved. Marilyn was strong, independent and fun to be with. She is missed but we are grateful for her testimony and we add ours to hers. She was a faithful disciple of Jesus Christ.

All our love till we see you again beautiful Marilyn and what a blessing. It was to know you. Love and prayers to Joe who we love and your entire family. I’m so sorry that we will miss this memorial. We still live in Idaho and we’re in

Utah the week before for a nieces wedding so we won’t make it.

I appreciate having you as one of my good cousins. My father and mother were Coe Robbins and Bessie Larkin. As a step brother to uncle Thomas, Coe was raised on a larger farm in Snowville, Utah. Later in life he moved to Cache Valley, Utah and married Bessie Noble and settled down to farm. I am his oldest son. I send my deepest condolences to your husband and family at this time. Your life was well spent and your good posterity validated your good service to Heavenly Father. Know you will be missed. Your loving friend and cousin. Clair Larkin

We experienced the joy of serving with Marilyn and Joe during their mission in Australia. They were rock stars and loved and lifted all they served. Marilyn contributed in so many ways on their mission- temple ordinance worker, temple grounds crew volunteer, senior missionary coordinator and personal welcome team with Joe and woman of all trades for the Sydney Mission. She and Joe left a big hole in many hearts when they were whisked back home. We send our condolences and love to Joe and the whole family. They are an amazing couple who always give their all.

Sorry to hear of Marilyn's passing. We never got to meet, but heard much about the wonderful legacy of the Leckie's in Australia. We were the missionaries that moved into your flat, after you came home. Many prayers for your family. Elder Doug and Sister Minette Handy

Dear Joe and family, Thank you for sharing Marilyn's funeral service with us. I was so inspired and comforted by all of the remarks, especially those of you, Joe. I am glad to be part of your extended family. I have always loved your entire family, and especially Bill and Freda. They were like a second set of parents to me. You and your family were an inspiration to me, and I hope that my simple prayers can add a measure of solace to your grief at losing your wonderful companion.
