Very sad to loose my dear Sister Marilyn. I loved her so very much and I treasure my life long memories of my little sister. Every time I think of her my hear swells and I get a smile on my face. She was definitely one of a kind and

she made me laugh so much. As kids together she challenged me the most and she took the award for the most stubborn and determined. Despite our challenges growing up there was much love in our family and Marilyn was always showing her love and commmittment. Her and Oscar were so very cute to one another and her love for her daughters and grandchildren children was so very strong. I am so proud of her daughters and I send my love and prayers to Oscar, Augusta and Dayna’s family. We all lost a terrific and beautiful member of our family who will always live on her our hearts and memories.
