Jeanie, So sorry for you and your family's loss. I always enjoyed working with you and Bruce at the County. Bruce was the nicest man. I remember back when Bruce had that accident that extended his life, and I am so glad that you two were able to spend over 50 years of your lives together. Much aloha to you.

Jeannie and Family; I loved working with you and Bruce all those years at Salt Lake County. I consider Bruce as a great man who loved people and loved communicating. My big memory of Bruce: our Line dancing class decided to dance out side of County by Cafeteria. We all wore red neck ties with white blouse. I didn't know how to tie mine like a man does. I went to his office and he did it for me. Might have been a small thing for him but it was big for me. You two are the best and Bruce was funny witty and we will miss him. Kaye

Thank you Bruce; my Kearns High classmate, for reconnecting with me after 50+ years. Thanks for the walks and the talks that we had together at Flat Iron Park. Revisiting our time together I have come to realize how fortunate I am for my time spent with him and the special group of people I grew up with. Included in that group of friends from Kearns are Curt Crowther and John L. Peterson. To Jeanie and Chelsea you are a beautiful family. Learning to live without Bruce will take time. May your memories remind you of the joy and beauty of your lives together and how special he was. My thoughts and prayers are with you LeeRoy Montoya

My dearest Jeannie: I am so sorry to hear about the passing of Bruce. Bruce's journey with his accident and cancer were truly one of a kind. His journey is not done yet. My sincerest condolences go out to you and Chelsea and the rest of the family. I'm sure you will all find some comfort in one another and find ways to celebrate your family. Sending healing prayers and comforting hugs. I am so sorry for your loss.

Rest well my good friend Bruce. I'll always remember our golf games, lunches and all the great times at Sandy City. You were always a pleasure to be around. I still wear the Aloha shirt with pride that you literally "gave me the shirt off your back" one day. Proud of you my friend that you fought a good fight and gave it your all. Gil & Sherry
