Edward Glen Barnes aka Red Ed

Born Oct.9th 1926-June 15th 2024

Ed served in the navy in World War II. One of the last of his kind. He finally received his wings and flew to meet the Great Spirit which he always thought about and was looking forward to seeing what awaited him.

He was the second of 9 children all born in K.C. MO. He found great joy in taking care of his younger siblings when they were little. He described it as one of the happiest times of his life bringing him so much joy.

He was such a great Son, Brother, Uncle and friend. He is survived by his sister Beth Ann Blaine, brother George Barnes and many Nieces, Nephews, great and great great. He lived a long full life. We were all so blessed to have had so much time and beautiful memories with him.

He loved shooting pool and having some beers at his favorite spot the Twilite Lounge for decades. He was quite famous there and everyone loved having a turn to talk to him and hear his great stories. He loved working with children and when he retired he worked as a step grandfather at a local daycare where the children and employees all loved him. It was one of his most fulfilling jobs. He touched everyone's hearts. He loved cooking, reading and classical music. He was a walking encyclopedia and knew so much about the world right up to when he received his wings.

He will be truly missed by so many.

Now we have one more Angel to watch over us.

Fly my love fly.
