It was my good fortune to have met Mark when he and I were both very young and living in Holladay. He's right when he says Holladay was the "Celestial Kingdom" on earth We and a large group of friends had wonderful times together. All of our lives are made better by many of those we meet on the journey. Mine was enhanced because I knew Mark Artie Peck. Thanks, Mark. Kerry and I send our sincere condolences to Hanne and Family.

I wish to express my heartfelt condolences to the Peck family. I had the blessing to meet Mark and family during a trial that he endured courageously. The love and support I witnessed from his family I will never forget. As difficult as it was it truly was inspirational to witness.

I first met Mark in Cullercoats England in late 1966, he taught me the Gospel of Jesus Christ and introduced me to the Church of Jesus Christ of Latter-day Saints. He baptised me in September 1966 and we have remained friends and Brothers ever since. I'll miss him and his big laugh and will look for him when I pass through the veil. Bye for now Mark, see you again one fine day.

Everyone loved Mark Peck . He had a very wonderful smile and personality and we loved to be with him and his great family. The last part of his life was cut too short because of a horrible virus that had no mercy on him and cut his life way to soon. We are comforted to know that we will be with him and his great family once again. May God bless the Peck family and all who had the good fortune to know Mark and will one day be with him again !

Could not agree more with the assessment of Mark's character and reputation as was so beautifully put in his obituary. I cannot picture this man without him having a big, welcoming smile. I regret we didn't spend more time during our adult lives, with he and Hannah. It seemed obvious they worshipped one another. Maxine and I extend heartfelt condolences to his beautiful wife, children and grandchildren, as well as extended family and friends. We will all miss Mark. Nice to know we will all meet again. Love, Oran and Maxine Peck.

Hanne and family... I was so sad to hear about Mark's passing. I have such good memories of working with you, Hanne, in the Francis 1st Relief Society. What a wonderful family you have, and what service and joy you have brought to so many. My deepest condolences. Marilyn Bailey-Stowe

Dear Hanne and Family, How profoundly aware your cousins became of this finite time we have on this earth when we heard of Mark’s passing. He was always a ray of sunshine with a smile so bright and a contagious laugh that pulled you in. We are so saddened and know the road ahead without him in your midst will be difficult. But what a great family he leaves with you Hanne. He will always be close by to you. Mark’s siblings, we love you all and what a great group you all are. Keep on keeping on! We will all hear the voices of those we have so loved and missed in this life, in God’s time frame. We hold you close to our hearts and in our prayers. May God’s comfort surround you all and give you strength of carry on. Mark is trusting in that. The Ed Peck Family Cousins, Ed & Cindy, Doug, Romaine and Brian & families

I was one of the now famous Holladay Boys and remember the great fun in the Hollow with Mark and the other crazies of our era. Mark was a good friend and very fun to be around. He came from a wonderful family and great parents. So sorry to hear of his passing. He will be missed. One of the best falsetto singers of his time. He was a Holladay Eve star.

My uncle Mark is a beacon of light and love. He was tireless in his pursuit of knowledge and love for the gospel, and an exceptional constitutional scholar in his own right. Liberty and America's founding principles were a great passion and he practiced and valued honor and virtue above all. His home was an amazing place, filled with peace and boundless love. A place where the spirit of the lord was always present. It was safe and secure, impenetrable and guarded night and day by the holy ghost. When you got to Uncle Mark and Aunt Hanne's house, nothing scary in this mortal world could bother you. When I return home someday, I know will arrive to find him with a huge bright smile on his face while busily attending to the most important affairs of heaven as one of God's most favored Angels. Mark touched the lives of everyone he knew and was a truly amazing teacher. His lessons, counsel and example are pillars in the construct of the man that I grew up to be. Until we meet again; I love you uncle Mark!
