Beverly Rich

December 13, 1920 ~ January 29, 2015

Hi All, Beverly Jane Schryber Rich passed away January 29, 2015. Her spirit will always be near,Ä¶a spunky, brilliant firecracker who didn't take sh__ from anybody. I will remember her always as the quick-witted, toe-ring wearing, power tool wielding, I-paint-almost-everything artist, I-can't -have-too-many-plants-or-flowers green thumber, collector of (never too many) comfortable chairs, I-glue-fringe-on-just-about-anything accessories master, and animal lover. She was the most adorable and sassy women that I've ever met, she had so much to say, and so much life experience to let you know about. I miss her terribly as I'm sure you all do. We are incredibly lucky to have shared time with her while she was here for 94 years.

Love, your devoted friend,Ä¶from Tiffany and ALL of us, Mom,Ä¶We love and miss you,Ä¶
