Bob has been a good friend for many years. I knew his father only tangentially, but knew him to be a good man. I'm sure he has wanted to return home now for many years, especially to his beloved wife. When I heard of his death, I felt there must be great rejoicing in heaven as this good man was welcomed home. I hope this time of remembrance can be a sweet time for your family.

My deep condolences for the family and love ones of President Richards. He was my father in the mission field. I am always grateful to be a part of his mortal mission. He was a strict mission father but he shows his love for us. I can feel how much he loves us and how much he loves the Lord. Thank you very much President... till we meet again...

I have no words that will adequately express my gratitude to my senior partner, Elliot Richards. It was the privilege of a lifetime to learn from him. Both the medical teaching he provided to me as well as the example of the caring, concerned doctor as he served so many thousands of children, will be forever appreciated. My life was made infinitely better because of him. God bless him. Both Ginny and I send our love and gratitude to his wonderful family.

As a young physician I dreamed about being as competent, calm, and caring as Elliott Richards. His office next to mine was so reassuring. I knew I could review any problems at any time with him. I was so happy to refer any of my ENT patients to him. I also felt his spiritual power at our interactions. I thank him from the bottom of my heart for all he shared with me and thank his family for sharing him. Jolene and I send our love to the wonderful Richards family. art and jolene gardiner

I grew up with experiences of playful Uncle Elliott who was full of smiles and light and a joy to be around. Then I opened my mission call and saw he was my Mission President! I witnessed another side of him - spiritual power, floods of revelation, righteousness, wisdom, kindness, grace despite exhaustion, and truly giving his all in the service and worship of our God. My wife and I have a deep and abiding love for this exemplary man.

Dear Richards Family, My heartfelt condolences to your family at the passing of your dear father. I was going to come to the funeral service but was unable due to an unforeseen health problem. My memories are many of your

father. I first knew "Dr. Richards" as a child as my father and he were pediatric partners at Bryner Clinic. Later, I had the great honor of serving as a missionary in the Cebu mission as a welfare sister missionary under his and your sweet mother's guidance. They were an anchor to me as well as a boon. Once, President Richards entrusted me with the care of my ill companion. He would say to me, "Nurse Evans, what do you think we ought to do?" That instilled such fear and confidence in me! His trust was a sweet gesture. My husband, Chris, and I had the opportunity to live in their home on Sunrise Ave as newlyweds for a time while your mother and Pres. Richards served as the area secretary. That was a blessing to us. He always had a welcoming smile and a way of making you feel loved. What a wonderful man! May you rejoice in your memories of him and Sister Richards and be blessed with the peace of our Savior, Jesus Christ.

Please add my son to those who carry your father's name: C(hristian) Elliott Mason. My husband Mike and I were blessed beyond measure to attend the University 12th Ward, where Mike served with Alan Brown as counselors to Elliott in the bishopric. What better example of marriage partners and parents could there be but Elliott and Margaret to young newlyweds? He also was our patient, knowledgeable, loving pediatrician who helped us through many a childhood illness and mishap. My final, brief visit with him was 13 years ago when he attended my husband's funeral, watching over his flock to the very end. Thank you for making it possible to watch his funeral, a fitting tribute from his beloved family for this noble, humble, selfless giant of a man whom I will always remember and love. But, oh, how I rejoice when I picture his long awaited reunion with his Margaret.

- LeAnn Mason

My deepest condolences and sympathy to the family of my late and former mission President Elliott Richard from the bottom of my heart, I Love you President.
