Gary Kennedy

May 17, 1942 ~ October 13, 2016

Our beloved husband, father and grandpa passed peacefully from this life on Oct 13, 2016, surrounded by his family.

He is survived by his wife of 36 years, Ann, his 6 children, Luanne (Steve), Babette (Dave), Cheri (Darren), Traci, Morgan, and Jacob, 9 grandchildren, 8 great-grandchildren, and 7 canine children.

Gary worked over 50 years in Commercial Sales for the Heating and Air Conditioning Industry.

He was full of life and loved to be outdoors camping, fishing and spending time with family. He worked hard, played hard and loved travelling, golfing and sports (Go Broncos!!). He will truly be missed.
