Dear Phil, Joan, Jeremy, Eleanor, Allison and Greg, I am deeply saddened and will greatly miss Jenefer. Jenefer is a special soul. She brought laughter and provoked thought to everyone blessed to be part of her life. She was so giving and so talented. Her love of life and living to it’s full potential was inspiring. I don’t hold any animosity, as often as I tried to convince her to see the light, she was a devote BYU fan. I will always cherish my memories of Jenefer. You are in my thoughts and prayers at this very sad time. I pray you will find comfort in the memories and love you shared with Jenefer. Her spirit will always be with you. Fondly, Kevin Nalder

Dear Phil and Family, Many prayers are going up for you at this sad time. I know how blessed you were to have Jenefer in your lives. Every time I see something on TV about the Saratoga Battlefield, I think of our time there together, Phil, when you and Jenefer came to New York for my parents' 50th wedding anniversary party. I recently watched a video of the weekend's festivities which included Jenefer using her talents to arrange flowers for the event. I'm so glad I have that video. May God's peace fill you to overflowing and sustain you during this challenging time. Love from your cousin, Janice

I was very upset to learn that my 1st niece had passed away. I had been waiting for the day we could visit now that she’s living in the Salt Lake City area so I’m still in shock! I thought that now I’d get to know her better as she’s been in California most of her adult life Jenefer had 2 lovely children and a great husband And I wish them all the best.

We are so sorry, Joen. We had been so happy for you when she moved close to you just a few months ago.
