It is always hard when a loved one passes through to the other side of the veil. I am sorry for your loss and wish only the best for you and your family.

Sorry to hear of your father’s passing. We are thinking of you at this time. Love Mike and Nadine Durfee

My deep condolences at the passing of uncle Cal. As he passed through the veil I am sure there was such a great reunion of family to meet him. Although I was somewhat distant to him (I am Ralph J’s grandson) he always treated me with love and kindness. So blessed are you his family to have had so much time with him. God bless
