So sorry for your loss. Aunt Mary was a kind and loving person! My brother Neal also adored Aunt Mary and had really great memories with her. I met her a couple times and she was so kind, also her husband. I'm so glad they are all reunited. Rest in peace Aunt Mary

Dear Carman Family, It was not until this afternoon that I read of Mary's passing. I share my desires that your family be blessed and comforted during this time of mourning. I did not hear of Richard's passing until now as well. I really enjoyed your parents. I found them to be generous and kind. They were thoughtful and diligent. I viewed them as a phenomenal team. I stopped by to see them about a year or so ago, can't pin down the day, but I am grateful to have had that time with them. I've been in their home a number of times over the years and always felt welcome. There is a good feeling in their home. As Rick and Annette know, I also had opportunity to visit the offices of Carman Refrigeration. I enjoyed my time getting to know you all. I am glad our paths crossed. I've thought about

your folks many times since I retired, most recently as I was biking on the bike path near their home. They were well worth knowing. I miss them. May the peace of God be with you. My condolences, Scott.
