Sister Clegg, I am so sorry for your loss. You and President Clegg were an inspiration to so many including myself. Our time in Portugal was life changing and your love, guidance and direction have been felt throughout my life. I wish you peace and comfort as you wait for the day to be joined with President Clegg again. I am sure he is in the other side continuing the great missionary service

- Gary Trimble

Dearest Sister Clegg and family, God bless you with peace and joy at the passing of your husband, father, and grandfather. President Clegg touched and shaped the lives of hundreds of missionaries and thousands of Portuguese Saints through his humble and devoted and kind service. We were so inspired by him and by you Sister Clegg. You showed us the way to serve and love the people of Portugal the way the Savior does it. I am so grateful to have the example of righteous and faithful men in my life, and President Clegg was right on the top of that list. I am now determined to live my life so that I can be reunited with him again and express my love and thanks personally. - Elder Clay Hunt (in Portugal from Oct 1996-Jul 1998)

My heart goes out to you. President Clegg was was a good man and touched many lives. This week, I have reflected on President Nelson's words, "Mourning is one of the deepest expressions of pure love. It is a natural response in complete accord with divine commandment: “Thou shalt live together in love, insomuch that thou shalt weep for the loss of them that die.” (D&C 42:45.) Moreover, we can’t fully appreciate joyful reunions later without tearful separations now. The only way to take sorrow out of death is to take love out of life." Please know that we mourn with you. We celebrate President's life with you. We love you.

- Ray Cheatham and Family

President, thank you for teaching what's most important in this life; the hope that the plan of salvation and the Savior brings to us will sustain us through this difficult time. God be with you until we meet again! um grande abraco! Our prayers are with Sister Clegg and all your family!

Sister Clegg e Família, que o Senhor os possa confortável nesta hora difícil onde a saudade irá prevalecer. Presidente Clegg será sempre uma excelente referência de amor e compreensão na minha vida. Ele fez a diferença quando me "enviou" para a missão. Grata para sempre. Que o Senhor o possa receber de braços abertos e que um dia possamos nos reencontrar de novo. Deus vos abençoe. Com Amor, São Lopes Violante

I can’t recall ever seeing Uncle Cal without a smile. He was truly a mountain of a man that inspired those around him to reach for more out of life. He’ll be sorely missed. My heart goes out to Aunt Gayle and all his children and grandchildren. He must still be smiling on the other side of the veil as he gets to engage in the Lord’s work with a new calling.

Dear Clegg family, it was with sadness that i heard the passing away of president Clegg(this was the name by i got to know him). I became a member during his service as a mission president in my country, Portugal. I’ll never forget his loving smile, as well as a couple of years later when i decided to serve as missionary and before i went to the Provo MTC they took time to say hello while staying in Salt Lake. I Wish you, sister Clegg, that the Lord may grant to you the peace and love you need, during this time, together with all your relatives. Rui Violante❤■

My mission to Portugal was transformative. President and Sister Clegg helped to create an experience where I could be stretched and also strengthened. In addition to their leadership, I took life lessons in relationships from the way the treated us and from the way they obviously cherished one another. I loved everything about my mission, including the Cleggs. With love and faith, Cali Browning Young

Dear Gayle and Family, Merrilee and I send our deepest condolences and wishes for peace at Cal's passing. As you know, he and I go way back in years pre-mission, mission in Argentina together, many hours trying to best one another in tennis, Lake Tahoe trip, weddings and lots of fun visits. He was surely one of the finest friends I ever had, and undoubtedly one of the fastest men to occasion a smile and laugh at the slightest opportunity. He will live in my heart of memories forever. Thanks to you and Tina for the wonderful obituary. Quite a man.

- Richard Maycock

Calvin Clegg was a genuine gift to know. I really think he was the only and exact person to be in charge at a really influential time in my life. He vacillated between either genuinely adoring me or just roll his eyes in good humor knowing there wasn’t much else to do. He maintained a positive, supportive, and practical approach to life with a good balance of good humor and fun (he could yo-yo like nobody’s business!). I’m so glad I knew him and sad I never shared with him how important he was to me.

Sister Clegg and family, Our deepest condolences for the loss of President Clegg. What a life well served! As one of your missionaries, your love, care, and leadership was so very influential during those years of service, and that influence has carried on to the present day. Your relationship with one another was also a great example to me. You modeled mutual love, respect, and cooperation. It was also evident that you knew how to have a good time together! Thank you for serving and for sharing that part of your life with me. The spiritual growth during that time as well as the temporal lessons learned during my two years serving with you touch me every single day of my life. Thank you!
