

Calvin Jay Shepherd

Dec. 13, 1928 ~ June 10, 2022

Our sympathy and love goes out to all of our Uncle Calvin's families. We were blessed to have had such a wonderful man in our family to love and enjoy. As a young boy, around 14, Uncle Calvin would spend many summer days with his oldest sister and family. He and my brother Norman loved to go to the Jordan River to go fishing. Uncle Calvin was a great fisherman and loved to fish. I remember the day he got a fishhook caught in his hand. I was 4 years old but still remember my Mom stressing out while removing the fishhook from his hand. Uncle Calvin loved Ella Mae, his children, grandchildren and all of his very large family so very much. My family moved to California in 1944. Almost every summer we would go back to Utah to be with all of our family. We would meet at the family farm and just hang out and have fun. Sometimes we would go on large camping trips. Uncle Calvin was a fun loving, honorable and kind man with a warm heart and a big smile. He will be missed so very much! We love you Uncle Calvin. ■■■

We want to give our deepest sympathy for the loss of Uncle Calvin. Y'all will be in our thoughts and prayers. We had a tremendous visit with Uncle Calvin September 2021. We wanted to go and visit Calvin, my cousins and their families on the farm outside Malad City. My fondest time was seeing Uncle Calvin and hearing his fascinating stories. His kindness and the hospitality of the family will not be forgotten. Sincerely, Ken and Anne Green
