My heart is broken ■. Zonnie was a person to learn from and emulate. Such compassion, joy, humor, love and beauty. I will miss her presence but will embrace her spirit.■■■■■■■■■■

I loved her and she has so many qualities that not many people had ❤■❤■■

We are so sorry for the loss of your beautiful mother, Zonnie. She was such a kind hearted woman. She and your dad were so much fun to spend time with up here at the Gorge! She had such grace. We will miss her■

Sorry to hear of Zonnie's passing, I worked at Whisper Cove briefly and got to know her. She was so sweet and kind and always had a smile...I admired her sense of style and thought she was so classy. Peace be with the family.

Aunt Zonnie was a light in our lives and will forever remain in our hearts. Her love for her family shone through every time she spoke of them — her sons, daughters-in-law, grandchildren, and great-grandchildren. She would often say that someone was a sweetheart, but she was truly the sweetest of all. She always listened with care, shared in our joys and our sorrows, and made each of us feel loved. We miss talking with her, sensing her smiles, and hearing her laughter. We will forever cherish our memories of her. We hope it brings some comfort to know how much she meant to our family. With love always -

I had the pleasure of getting to know Zonnie the past two years at Whisper Cove. I loved talking with her even just for a couple minutes when I worked. She had such a caring heart and always took an interest in my life. I will miss her so much but I’m so happy she’s with her sweet husband! Sending the family love at this time. ❤■
