Beautiful lady. She is home in heaven. May you feel at peace

- Kathy Tanner

We will miss Mary Lee, she was a wonderful friend and neighbor for more than 30 years. We always enjoyed our gardening and yard projects and looking out for each other. We enjoyed sharing and watching out for each others pets. We will miss her always. We love you Mary Lee!

Grandma Lee you will be missed. I will miss our visits, driving you to my parents house for get together. You were a one in a million grandma. I will cherish all my memories I have of you and with you. You are the reason I got into nursing. You believed in everyone and loved everyone. You had a huge heart filled with love to give to all. I will miss hearing about your trips around the world with grandpa. I am going to miss such an amazing lady. Jazzie will miss you. She loved you so much and Robbie and Scottie. This is not a goodbye it is a see you later. You will forever be in my heart.

Mary Lee is such an awesome person. She loved our 3 daughters, she knew them well and they loved visiting and playing with her dogs. She was so thoughtful and often remembered birthdays and wrote to the missionaries in our ward, including our daughter. She is greatly missed and loved in our neighborhood. Our thoughts and prayers are with you at this time.
