Cam we never got to go for a airplane ride, fly high my friend

- Allen Lindsay

We can't imagine describing Cameron without using the term "extra mile!" From literally running across the parking lot to open a door for someone... to taking neighborhood boys out for pizza after a young men activity to get to know them better. Cameron had a smile for everyone and was always on the lookout for those in need of help in any way. He touched our lives and the lives of everyone around him. He will always have a special place in our hearts!!

My condolences goes out to you and your family.

Amy and family, we are so deeply sorry for the loss of Cam. We loved him, and he always treated our family—and particularly our kids—so well. He would give such great tips to our daughter at work 'just for her, not her coworkers,' and he was always such a big fan of Whitney, making her feel like the most important person in the room. Cam was just a fun guy to be around. I loved how proud he was of all of you; he spoke of his family every time we talked. Serving with him in church callings in the past allowed me to truly see his goodness. He will be deeply missed in the neighborhood—we will certainly miss that big presence and that unmistakable voice.

Cameron was one of my very lively scouts back in a past day. He was part of a lively group. We had lots of good campouts and he was a great young man. I’m sorry to you all for your loss at this time. I pray you be blessed and

strengthened?

How does one to begin to describe a friendship with Cam? I just can't! He was everything. He never met a stranger. His smile warmed the room and his personality would put a smile on even a stranger's face. I remember after Kevin had one of his hip surgeries, it started to snow before we went to bed that night; I set my alarm early so I could go out and shovel the walks before work. Only to wake up to see Cam just finishing them. He was such a sweetheart. I have a grandson named after him ... literally. When my daughter lost her 2nd child at 27 weeks pregnant, Cam came right over to offer her a blessing and comfort her. Before he left, he gave her a hug and that just sealed the deal for her; his name would be Cameron. After moving away from the neighborhood, I never once saw Cam I didn't feel as if we had just been talking yesterday. He definitely left a mark on my heart. If the world had more Cam's, it would be a far better place. To Amy and the children, you were truly his world. He would have done anything for you guys. Remember his love and all the memories you have. Love you guys always and will always hold each of you in my heart. LIVE LIKE Cam!

I am deeply saddened to hear about your loss. Please know that the Young family members are in my thoughts during this incredible difficult time. Cam is a great man, I truly loved him like a brother. We talked about jobs in progress and those to start a few times each week. I still catch myself wanting to call him. Cam was very good at his job, and will be dearly missed! Wishing the Young family strength, comfort, and peace in the days ahead.

To Cam’s family. While I didn’t know him, I read the obituary and others comments and he sounds like a wonderful man who blessed many with his presence. His sister, Heather, is my friend and I know she cherished him and I can see why. My sympathies to you all for your loss, and much love during this time. Cherish the moments and memories as he would want you to.

- Tonya

My sincerest condolences to Amy and to the children. Cameron is one of my closest friends and I’ve always cherished all of the moments we spent together. Cameron taught me how to enjoy life and believe in myself. He is truly one of the kindest human beings I have ever had the pleasure of knowing. He’ll greatly missed.

I have loved Cam since the day he was born. I still smile remembering the day his dad asked me to take him for a ride in my “race car.” From that moment we had a bond that time and distance never erased. Our hearts are with Amy and the children. We are praying for comfort, strength, and peace to surround their family in the days ahead. With love, Kevin & Debbie

Thank you allowing me to watch the services. Feeling the love and support in the room was palpable. Seeing the eldest son giving support to each sibling was beautiful. Monique has such a beautiful voice. Listening to Cameron's siblings and friends gave a real feel about his beautiful soul. I pray that each will find peace and joy in the memory of Cameron's life and legacy.
