We are going to miss Mary in so many ways. We are so grateful for the times we spent with both of you. One of my favorite memories is the trip we took to Europe. . . a lot of laughs and fun. It was an honor to know her. May God's love and comfort be with you and your family

It’s been an honor to know and love Mary and to share grandchildren with her. What a wonderful woman! We will miss her deeply.

We are grateful to have known and loved Mary. It was evident that she put family first. She welcomed her Canadian cousins into her heart and home. We have seen her love for others and witnessed her trust in the Lord when her health began to deteriorate so early. Our love and prayers are with her family.

We send our heart felt sympathy to Don and family. I have loved working in girls camp with Mary. She made everything fun. She’s a great problem solver and could change the day from cloudy to bright sun. She will be missed!
