Carl, I'll miss our visits on your porch. We appreciate how you and Shirley always wave to us. The Besners have been good neighbors and friends for many years. They were one of the originals in the neighborhood. It seems they knew everybody and are always up for a visit. Carl has helped me with many car questions and tools over the years. Shirley, you and Carl and your family are in our prayers. God Bless! ■ Great Picture of him!

Carl- you were an amazing, caring, hardworking and humorous person- who always seemed to see the best in everyone. Such a kind man that truly loved his family so very, very much. I know I am going to miss seeing my 2nd dad when I visit Utah- but I know your wife, children and grandchildren will miss you much, much more. The Sunday dinners, the vacations, the funny stories- those are treasures all of you in the Besner family can hold onto. He lived a full, fun and blessed life with a great and loving family. Wishing I could be there to hug you all.... please know that you all are in my thoughts and prayers. Sending our love and sincere condolences to you all- Love you all- Ray & Deb Carlson

Although the neighborhood has changed over the years we were grateful for those that always made it familiar and welcoming. I know Carl will be greatly missed by his family and friends. May your memories shared with him bring you comfort and peace as you morn the loss of this very special man. Prayers and Hugs to your family, Your neighbors, the Vredevelds
