I’m going to miss you Matt. I’ve always had fun golfing with you and enjoying your humor. Rest my friend.

Condolences to Matt’s family, what a great human he was, so many people loved Matt and his mellow demeanor. Loved snowboarding with him and golfing up at Mtn dell. Those memories will always be there, he was a warrior in this fight and showed us how to be strong. He will be so missed by myself and my friends. We love you Matt. Sending hugs to his family! #stillsendingforschwobe

Matt was one of the kindest and most caring people I’ve ever met. He never once failed to greet me with humor and really made me feel special. I’m Matt McNally’s mom and I share his heartbreak. Words will never be enough, but we send love to Sim and the boys and the entire family.

A bright light has departed for greener pastures. Never before have I witnessed someone who exuded positive energy and love like Matt, especially during the most difficult period a human being could ever experience. I had the pleasure of seeing Matt several times during the last year and he inspired me beyond’s words. Love you man and miss you already! Rest in peace.

I’m so sorry for your loss and can only imagine the pain you’re feeling. Matt was a good guy. I remember running into him at a little café in Capitol Reef, he happened to be visiting too. I hadn’t seen him in many years, but he came right over to say hello. He truly left a mark on everyone who knew him. I hope you can feel all the love surrounding you right now.

Dave, Juanita, and family. Seeing Matt's good-looking face and reading about his passing brings us back to the good times we had with our children together.
