I am so sorry to hear of Carla’s passing. She and I were good friends during our sophomore and junior years of high school. I have so many fun memories from that time, all because of her. From her first car (I think she named it Lola?) to her driving the family van with her leg so both hands could be free for hair care, Carla made the school days tolerable. She talked me into dressing up as Attila the Hun? for a student government assembly and talked me into dressing up as a classmate’s mother to ask him to the Sadie Hawkins dance for her. Come to think of it, I got talked into a lot of stuff because of Carla, and I have no regrets! Sending much love and condolences to her family and friends.

I was shocked and saddened to hear of Carla's passing. She is a very fond part of my elementary, jr. high, and high school years...I even have an old black-and-white photo of her that she gave me back when we were in about the 3rd grade. I still have it in a journal from way back then. She was, is, and will continue to be an example of humor, intelligence, and beauty that I will never forget. Her vivaciousness and spirit will be missed in this life. My deepest

sympathies and love to each of you.

We are so sorry to hear the very sad news of Carla’s passing. Although our time shared with Carla was too short, we think of her often and remember the happy times we spent with her and the family. We will always remember her with love and affection. Our thoughts are with the family and especially Christian and Gabriel, fondest love always, Diane and Dave

I am so sorry to the Pitcher family. You have always been friends of ours and we care for each of you so much. Our condolences, love and prayers go out to you. Maybe dad who we just lost will be there to welcome her home. Love you all, Cami and Marsha.

I'm very sorry about her passing. Her sons were friends with my sons (Tyson/Brandon Chow), especially because of basketball. We lived in the same neighborhood, went to some of the same schools. Carla was definitely a mentor and touched the lives of so many people. It is a great loss.

Feeling the loss of this great family. Carla was cool, my heart goes out to her sons. And all the Pitcher family. Love you all. I send love from all the Crabtree family, I wanted to be there so sorry I was unable to make it to the funeral

Carla has been on my mind, going through all my memories with her. When we were young we made the most elaborate barbie doll houses together, but her barbies were always the most sophisticated. She was a bridesmaid at my wedding, and when I couldn't find the perfect veil, she made it for me herself...and did my hair. Later, we would have long talks while we watched our kids sledding. She had so much personality and could make anything fun. My heart and prayers are with you.

Such a beautiful service . Thank you for allowing us to be part of it . The rise you gave us is growing . So I will continue to propagate it and plant it in our garden to always remember and have a piece of her .■
