Debbie, Mark and Paul, my deepest sympathies go out to you at this time of your loss of your sweet mom. I am grateful to have crossed paths with your family years ago. I remember your mom to be really together and to be very kind and friendly to me and our family. I hope you find joy as you reflect on all your great memories with your mom. I hope that that the memorial services bring you all closer Much love to you, Monte and Donna Smith.

Dear Debbie, Mark and Paul, I was saddened to learn of your mom's passing. I remember her as such a kind, gracious, beautiful lady who shared her love, testimony and your home so willingly with those around her. It has been many years since we were all together in the Menlo Park Ward, but in some ways, it seems like only yesterday. I cherish the many fond memories of time spent in your home and with you and your family growing up. Please know that my heartfelt and deep sympathy and prayers are with you and your families now and in the days ahead. With love and sympathy, Joy

I have fond memories of Sister Beckstead as one of my early Mutual teachers. She was such a caring teacher and created a beautiful sewing basket for each of us full of her handmade touches, a gift I have used throughout my life. My heartfelt sympathies go to all of her family.
