We all miss her. The picture shown here perfectly captures Mindy's personality. It's how I'll remember her.

We have known Paul and Mindy for over 33 years as our neighbors and we are deeply sadden to hear about her passing. Rest in peace.

- John Norman Sr

Mindy, such a beautiful person. Her warm smile greeted everyone. Our love and prayers are with you, Paul, and your family. I’m sure she will always be near.

- Joyce & Clayne

So sorry for your loss Paul. My thoughts and prayers are with you.

It's been two months now since you left us Mindy and I'm still trying to figure out how to go on without you here with me. I feel so lost without you. We always did things together but now I struggle to accomplish the simplest of tasks. You were my guiding light and and always will be so I will do my best here without your light but my true desire is to join you. I only wish that I could do so some day very soon for my heart is broken and it makes carrying on in this life so difficult. I love you more than anything else in this world and pray every night that I can soon be with you again, forever and ever.

- Your loving husband, Paul
