August 3, 1938 ~ October 27, 2025

SHIRLEY, I miss you so much! I’m so sorry for the loss of your sweetheart. I have so many wonderful memories with you. I’d love to come and visit sometime.

- Jodi Anderson

Leroy was our great Scoutmaster for Troop 681 1984-1987. He and Dale took us camping all over northern Utah. Skull Valley, Butterfield Canyon, Dimple Dell, East Fork of the Bear. He was very patient and served us with honor.

- Brandon Mortenson

We were sad to hear today in sacrament meeting of LeRoy's passing. We wish you Shirley and your children well. Love Maria and Fritz
