You were one of the good ones

I loved camping and hiking as we raised kids together, to making sure that all in the ward were being taken care of. Bruce was truly an example of service to others and a friend to all. Love to all the Bailey's.

There was no one in the world like Bruce. What a generous, hilarious, thoughtful man he is! So many fun memories of Bruce. I can only imagine the crowds of spirits waiting to hug him in heaven (and I'm sure my dad was one of them)! :) Sending love and prayers to the Bailey family.

I am so sorry for your families lose. Bruce lived life to the fullest. My one son was telling me a few days ago about running into Bruce just a few weeks ago at a fast food restaurant. He said he gave him a kiss on the cheek and said that is for your mom. He helped our family SO much after my husband died about 37 years ago. They had worked together on some construction jobs. Also they were planning on traveling to Las Vegas to find some jobs the next week. Love to your family Carolyn McCloy and family

Dear Bailey Family (my dear cousins) - You all have my deepest sympathies and lots of love at this time. Bruce was always such a happy, loving, and fun person- so much like his father. You're all in my prayers. Love - Anne (and Matthew) Kirkham, Arizona
