I loved your mother. She was aways smiling when I saw her. She had a great sense of humor. I loved going to your home. We all enjoyed her wonderful cakes and candy. She was a great cook. Her passing is a mixed blessing. You miss them and you know that they are where they want to be now.

Loved Aunt Carol so much. I used to tend all her kids when I was 12 years old while she taught Primary when it was in the afternoon. She would pick me up in Bennion at our home and take me to her home. Then bring me home after. I earned fifty cents each time which seemed like a fortune to me. She had me go with her to Salt Lake one time to help with the little ones when she had their pictures taken at a photo studio. They are all my cousins but I was older than them. She was so sweet and such a good cook. I really admired her as my aunt. She had many talents. I always loved her Christmas tree each year. Every icicle was placed perfectly! Great lady in my eyes.
