I lost a last saw her at a reunion three Summers back. She was always so happy smart kind and always a joy to talk to. You are gone way too soon. I always look forward to seeing you in the halls of high school and when I run into you over the years it was always a joy to talk with you. Rip

I am sending prayers and blessings to our family in time of Loss. Sorry I am not able to be there but I'm there in spirit. Death is very hard and God knows best. Cousin isn't suffering anymore. Glad I was able to be in touch with her to hear that giddy giddy voice of hers. She isn't gone just resting and we will see her again. Be strong Ebony and remember all the positive and that radiant smile she always had. She now has her wings and an Angel watching over you and your son. I love you all. No Facebook but just a call away. To all her Siblings, grandson and Father look to God for your strength to get thru this and he will guide you and your hearts. Love Ms Helen Hoskins.

I just very recently found out about Carols passing. I wish I had known about it long ago. I would have come to the service had I known sooner. We new each other for over 30 years and had many good times together, although we hadn't been in touch in the last couple of years or so. I am sending my very deepest and sincere condolences to her family and that you are all at peace. I believe she' is.. ■♥■♥■
