

Michael Scott Heyn

July 5, 1965 ~ October 15, 2025

Heyns I was thinking the other day about Mike. I was picturing him in my mind with his shorts and long socks with this yellow vest half on one shoulder and off the other as he walked around the playground. He always had a smile on his face. I was remembering him with the squirt bottle during the August heat spraying the children with cool water. He always lit up when I started asking him about Owen- his words would come easily with this subject. I never had the privilege of knowing him before this. But it says a lot, that even in his decline he loved fully. I love you all so much. It is truly a blessing to know the Heyn family.

The Garrett family loves the Heyn family!!!!!! Mike coached our son Taylor in many soccer games. That's where we came to know of Mike's great love for kids. He made every player feel like the most important person on that team. Taylor not only learned to love soccer, but he learned from his coach, how to be a team player and Taylor was always so excited to go to soccer practice and the games. Mike took time to get to know each of the parents as well. I loved his infectious smile and genuine friendship. We grew to love him and have appreciated him as a neighbor. I loved waving to him on his walks. He was such a friendly man and always took time to stop and chat. He will be missed. He leaves a wonderful legacy for us with the incredible family he has. We love you all!❤■❤■

Sending our love to your family as you grieve the loss of your Dad. Wishing you peace and comfort.

Our family will miss Mike so much. He was like a son to our parents (Dawn and Vern) and a brother to Lisa and Sheryl. He was often the life of the party at our family get-togethers. No one could tell a story like Mike did. He was a fun, well-loved uncle to our children and grandchildren. Our ten children and even our 25 grandchildren were close to Uncle Mike. When he started having more difficulties physically, we worried that he might not feel up to coming to Provo. But he loved coming to see his Provo family, for which we are so grateful. We thank the Heyn

family for sharing Mike with us. Mike was so good to his family, to our sister, Shana, and his three children. He loved his sons-in-law and daughter-in-law and would especially light up when his two grandsons were around. Mike had a great smile; especially when he teased or told a funny story. His different smiles told everything. He had an empathetic smile, a joking smile, and a loving smile. We miss and love you Mike. From your Brimley family .

I’m so sorry for your loss. I hope your family finds comfort at this time.

My heart goes out to the entire family during this difficult time. Mike’s radiant smile was truly contagious, and his kindness seemed to shine on everyone around him. I will always treasure our shoe conversations. He loved to run and always wore what we called his “fast” shoes. When lacing became difficult, he proudly showed off his new slip-on Hokas, which as he said, “These are the best!” I honestly was a bit jealous of his new “fast” shoes! His true compassionate and joyful spirit will be deeply missed and forever loved.

Reading the obituary of your dear husband and father touched our hearts! He was a great family man. Surely you will be blessed with a bundle of memories yet we know the void in his presence is profound. You handled his declining months with such wise and loving caring. Love Catherine and Harold

Shana, Thinking of your family ■ . I am so sorry about Mike. I’m so sorry I could not be at the Memorial Service due to having surgery. However I was able to watch the Service online yesterday and it was a very nice service. It was sweet the children talking up there together and you as well. A very nice tribute to Mike. You all did great. He sure was a very special person. Your whole family is special. May God comfort all of you. ■ I’m on a LOA for at least 3 months however I hope to see you at the store when I am back. Take care Shana ❤■

I was so sorry to hear about Mike's passing. Even though it's been years since we worked together, I've often thought fondly of the time we spent at Dentrix. Mike was one of those people who made coming to work better, he was always in a good mood. I can only remember seeing him lose his temper once in all those years, and even that lasted about 5 minutes! That really says something about the kind of person he was – patient, even-tempered, and someone who brought calm to the workplace. Those years meant a lot to me, and I'm grateful I had the chance to know Mike and call him both a colleague and a friend. Please know that you and your family are in my thoughts during this incredibly difficult time. Mike touched more lives than he probably realized, and he won't be forgotten.

Heyn Family: You are in our thoughts and prayers during this difficult time. It was a pleasure to work alongside Mike during his time at Henry Schein Medical. Mike was a valued colleague and a kind presence on our Team, always bringing warmth and dedication to everything he did. He will be deeply missed by all.

Mike was a tremendous person and will be sorely missed by all who knew him. I didn't know him well, but I did know Jeff and Rob very well and I know they must be suffering through this difficult time. I am certain his family is proud of the kind of life he led and will remember his character and legacy as nothing short of truly exemplary. With my best regards...

Mike Heyn! Thank you for your generosity, kindness, friendship, and example. You helped build two of the greatest brands in dental technology, which is quite the accomplishment—you were there from the beginning! Thank you for being my travel buddy and putting up with all of me. Thank you for showing me the way to cycling zen, and helping me get a bike, which has become a source of great enjoyment. Thank you for putting a smile on my face, for your jokes, your warmth, your smile and your trademark frowns. And to your wonderful family, a thousand wishes and more for peace. Thank you, my friend!

I am so sorry to hear of Mike's passing. He was truly a special person! Such a ray of sunshine whenever you were around him. I can still hear his laugh and see the smile in his eyes whenever I was talking to him. He will be greatly missed!

My deepest condolences to you Shana and the entire extended Heyn family. Mike was a dear, dear friend. We had such great times together in the dental industry where we became known as "the Nomad guys". We made a great team. We laughed often (mostly at Mike's expense!) as our friendship grew and has lasted. We often said we should write a book about all of our experiences because we had so much fun. I miss you Mike and I know you are in God's hands. Blessings to you all. Psalms 91:1-2

I just came across this sad news. I remember Mike as he briefly lived on Ninth Ave. before moving to the upper Avenues. Although I am ten years older, my memories of him was always a nice kid. Renate and Jeff stayed in touch with my parents after they moved away and they were very proud of Mike. It obvious why, as he appeared to enjoy a fulfilling life.
