The Willow Grove Relief Society is heartbroken over the news of Carol's passing. We knew this was coming, but we still held out hope that it could be delayed. It was our privilege, to hear her beautiful lessons that she so bravely gave during zoom meetings as well as in person. Her beautiful spirit was evident in each of these lessons. Our sincere prayers are with you, Rick and your wonderful family.

My condolences and prays to the Timmons family. I will always remember Carol's smile and warmth. She treated me and others with such kindness. When I moved to Beijing China, Carol introduced me to many good things and helped me adjust to my new life. She treated me as part of her family and made me feel comfortable being away from home. I was fortunate and blessed to have spent time with her and her family. She will be greatly missed. Phil Leacock and family

We love our twin sisters, Carol and Melissa, and remember the happy times we had in highschool and seminary. Carol brightened, cheered and enlivened her surroundings as does her sister. Carol's deep caring for others especially touched my heart as she and her sister comforted us at the hospital, helping lighten the despair as my family and I journeyed through our mom's fight with cancer. She set the bar high on being gentle, cheerful and offering loving kindness to all. Thank you for making our life's path a little more straight and smooth Carol! We will miss you.

We were blessed to live across the street from you for 4 years and in that time Carol shared multiple recipes and came to my door a dozen times with sweet little gifts. She was a talented, gifted beautiful woman. Rick we are saddened we did not hear of her passing in time to pay our respects, but we are sending our love to you and your family.
