My deepest condolences to The family. I was the caregiver for Richard and Carol for a couple of years, they were the nicest and sweet people that I ever meet, always had a bright smile and treated me like their family. Our routine included going for lunch to their favorite restaurant: In-n-Out, Carol always had to wear makeup and her hair was done with the perfect outfit and jewelry. I witnessed the love they had for each other When Dick was dying he asked me to take car of Carol until the end. Now they are together forever in heaven ■■■■

Dear Brent, Diana and Family, I'm so sorry to hear of your mother's passing. She was a dear friend and we had so much fun going together to dinner and attending church meetings and functions. She had such style and grace and boy, could she keep me entertained with her amazing ability to relate stories and events! I love her and will never forget her; Heaven is enriched with her presence. May happy memories help you through this difficult time. Sincerely, Patti Sanders

Enjoyed your celebration of Carol’s life. She was a great lady. We were friends at Anaheim tenth ward and my husband Robert and bro Ed Dart were Carol and Dick’s home teachers for a long time. Please accept our condolences at this time of separation and the joy of knowing you will all be together again. Marcia and Robert Allan
