

Carol Mickelson Bullock

May 5, 1935 ~ April 12, 2026

I would like to extend my deepest condolences to Carol's family. Carol was my neighbor for the past 20 years. She was always friendly, kind, and generous. Over the years we became good friends as well, often sharing a meal at each other's homes or going out to dinner. I will greatly miss her. Herta

Karen and Clint, As you hopefully will recall your mother and I were roommates at BYU and share many treasured memories. Our "roomies" friendships continued with reunions every few years, including our husbands. Your cabin and ours were close together and we loved our get- togethers. Carol was almost always the host of part of our reunions and her home economics skills kept our diets at BYU more on the healthy side. She will be missed, not only by you and many others and her three remaining roommates.

So sorry for your loss, she was a wonderful person and she will be forever missed.

I feel so grateful to your mother for the way she took care of my parents, Hugh and Sue West next door. They had many needs these last couple of years that the family had to really stretch to meet. Carol was always calling and checking in. She understood that sometimes my Mom would forget she was being picked up for scripture group and was so kind about it. She would call in the mornings to see if my Mom wanted to go. She heroically managed to get them to church on snowy days after my parents couldn’t drive. She was a great comfort to us knowing someone was next door who loved them and who could help when we couldn’t. I was so sorry to hear your Mom had passed. How wonderful that she was able to serve like that right up to the end. I am so grateful to her! ❤■

Karen & Clint, We are so sorry for the loss of your dear mother that was such a huge inspiration to all of us kids growing up together having such great times at the cabin and those memories will forever remain cherished in my heart. I hope you and your families are doing well and Carol and all of our parents will be dearly missed. Kim got to meet your mom on a trip to Patty and Matt’s cabin in the summer of 24 and just loved her. She will be missed. Darren & Kim

What a beautiful tribute to a lovely woman, fantastic neighbor and a dear friend to me and our family. She was a special person, which you capture so accurately in your recollections of her. She will be dearly missed and fondly remembered forever. May you find much comfort as you are surrounded by friends and family. I am deeply sorry for your loss.

My cousin Carol's strong character and spirit has greatly enriched many lives and this earthly realm and may the family know strength and peace at this time

Dear family, Your dear mom was definitely an icon. She was a woman of conviction and everyone knew where she stood; yet, she was willing and eager to be your friend and accept you for who you were as long as you were genuine. She and my hubby, Steve, were mostly in agreement and occasionally were a team against several others on the Sunnybrook group of policy makers. Carol will be remembered with fondness and love for her uplifting and fun personality, her many accomplishments and service to family, friends, and community, and her integrity. May you all be comforted and sustained by your sweet memories of her, and the knowledge and hope of being with her again. With sincere condolences, Marianne Burton
