

Myrna Lee Carter Calvert Ball

November 16, 1939 ~ July 21, 2021

I am sorry for the loss of your mum. She was a great woman and we were able to have chats with her when she would come to our dinners. I know she loved singing and I am sure she will be singing in heaven to with those that she loves. She will be missed but fondly remembered always.

Dear Lucinda, Emily, Mia and all Myrna's family - My heartfelt condolences. Myrna is a dear friend.. For over thirty years we were Visiting Teacher companions, sharing many wonderful friendships and also events in our own lives. Art and I were often recipients of her delicious baking and canning. We always enjoyed the Schubert Singers Concerts, of which Myrna was a beautiful part. I treasure the Season Quilt of mine that she finished for me. I will forever love and miss dear, faithful Myrna.. My love to her sweet family. Jeannine and Art Hardy

I was very sorry to hear about the passing of Myrna. I was in the Schubert Chorus with her for the last 6 years and from the beginning she was always nice to me and welcoming me as a new member. She will be greatly missed.
