

Nancy Kathryn Carman

August 3, 1941 ~ December 17, 2024

Nancy was the "matriarch" of our High School graduating class. I will always be grateful for her commitment and diligence in organizing the many class reunions over the years. She was a "quiet treasure" and inspiration to so many! What a beautiful person!

Nancy and Ron were some of our best friends when we lived in Ivory Hylands. She and I became fast friends with our quilting and hand work. I will miss her so much. She and Ron were loved by everyone.

I'm so sorry for your loss. Aunt Nancy is a wonderful woman and I'll really miss her sense of humor and just how she made everyone feel like they were loved by her and that you were her favorite. I remember sleeping out on Main St. so we would have a great curbside view of the Pioneer Day Parade and then looking for and cheering on Uncle Ron as he ran the marathon. Then there were all the 4th of July parties at her house which we loved and looked forward to each year. We were always one big happy family. While her family and friends will miss her terribly, I am happy that Aunt Nancy is reunited with Uncle Ron now and her other family members that passed on before her. My thoughts and prayers are with K.C., David, Matt and all their families. I love you all.

My heart is broken. Your Mom was the the sweetest , and kindest lady I ever knew . She will leave a void on many lives. I was blessed to serve with her in the Gospel, and blessed to learn from her. She will be greatly remembered and missed. Our love goes out to each of you Iin your family. May the Lord bless you always. Stan & Pat Busath

What a beautiful lady, inside and out! Nancy was my idol for all the years she served as Whittier School secretary. I served as the school principal but Nancy was the heart and soul of our building! She was a marvel! I truly believe that, for whatever success we had in serving the children and parents of the Whittier community, Nancy was key in keeping us moving along with efficiency and effectiveness. We couldn't have accomplished it without her. Nancy and her dear, delightful husband (Tom Selleck to all of us!) will be sorely missed.

Kathryn and David- first your father, and now your mother. I thought of both of you and send my condolences. Although our paths did not cross much, my heart and thoughts are with you. I know what it's like, loosing a parent at our age. May you find peace somehow during this season of your lives. With all my love, Steve Schwemmer, from the days on Clayton St.

My heart is with you today in warm, beloved thoughts of your dear Mom. I so wish I could be with you to distribute hugs, share memories and stories, shed tears and pay my respects to Nancy. She loved life and her wings have taught us, sheltered us and spread joy over us. You all are so loved.

Nancy was an amazing woman. She loved the children at Whittier Elementary School as well as the teachers and staff. In my first few years as a principal, Nancy taught me many things I have tried to implement and teach others in the field of education. She was known to have said often, "Bless the beasts and the children". She knew the struggles of many of our students and gave each her full attention when needed. She taught me to listen to what a child says because it might be the best moment of their day. After Nancy retired, we kept in touch and I could always count on a Christmas card from her. Brad and I were thrilled when she and Ron joined us at our wedding dinner. I am forever grateful for the lessons she taught me, her calm manner, and contagious sense of humor. I am honored to have known you! -Jane Berntson
