Words cannot express the depth of grief I feel at your passing. You’re another mother to me for many years. You’re the greatest neighbor ever! And a saint of a person. God bless you and keep you in his loving arms ‘til we meet again.

Carol has always been such a good friend. She and Ken always were so good to us as neighbors and friends. I will miss talking to your mom. She always had a sweet smile every time I saw her. I will miss her.
