Holding Family, sending heartfelt thoughts and prayers during this time of sadness and transition. My parents, Dick and Connie Ruhlman, worked for your Mom and Dad a number of years on the Wyoming ranch. Your Mom remained in contact with my folks years beyond their time on the ranch. My folks would describe your Mom as genuine, loving and full of grace. We are sorry to hear of her passing.

- Jeannette Ruhlman Miller

Carol has created a beautiful legacy of extraordinary family following in her footsteps. Deep condolences to you for your loss of this guiding light. May you be comforted by her spirit and her love.

I am saddened hearing of Carol’s death. She is my Mother’s (Gladys Orme Williams) niece. Her father was the oldest of Joseph Orme’s 138 children and my Mother the youngest. Thus, Carol and Gladys were close in age and

grew up together. Mother always adored her and Carol reciprocated. I always experienced her as a kind and thoughtful woman the few times we interacted. My favorite was when she hosted a family reunion in Sun Valley about 1980. She had every detail careful planned and expertly executed. Our huge family basically took over the resort, visiting and getting to know each other. It was a cherished gift to all of us from Carol. I especially enjoyed an early morning run she and I took together, talking all the way. Her presence on this earth will be greatly missed. Her generosity, kindness and drive to make the world a better place will be hard shoes to fill. My condolences to the family, which includes those fortunate enough to work for her. She will be welcomes in heaven by a loving husband, parents and sibling along with a dozen Aunts and Uncles who all adore her.

Anne, Kathleen, Stephen, & family, my sincerest condolences to you all. Carol leaves impossibly big shoes to fill. I learned so much working with your mom and dad, and so thoroughly enjoyed my conversations with Carol in recent years. Your mom was a lovely lady; kind, thoughtful, and disarmingly funny. I will miss her, but I am so grateful to have had the opportunity to have known her and be a part of your gigantic extended family. My best to you all....

I met here for the first time at Snowbasin a few weeks before her passing… How sweet of her to come visit and thank the employees! What a resilient woman. I am so proud to be part of this Snowbasin community and we will all make her proud everyday that we work there . May she rest in peace.

Though I never knew Carol, I was amazed at her generous life and spirit of integrity as I read her obituary. My parents came to Sun Valley for their honeymoon and my husband and I come each year for medical conferences. There is a special spirit here as I sit in front of the fire and gaze at the mountains and the beautiful painting of the cougar dashing through the snow. I know Carol is being welcomed in the arms of her Savior. Thank you for the glimpse into her remarkable life.

- Terri Barton

I never met Mrs Holding but I often heard of her many wonderful qualities from my dear friend Ryta Sondergard. Reggie and I send our deepest sympathy to your family during this painful time.

Years ago, I met Earl and Carol. Earl was in need of a knee replacement and at that time I was the liaison for the U's orthopedic surgery department. I got to know Carol and Earl. She was proud of her 100 situps daily and the worldly travels to purchase tapestries, blown glass chandeliers, matchstick marbel walls for their newly opened Grand American Hotel. I truly believe she loved planting the flower gardens most. They graced me with a gift to their resort at Sun Valley, where my young children, at the time, learned to ski at Dollar Mountain. She was a wonderful person. Full of life. It was an honor to get to know her. God Bless Her!

I worked at one of her resorts. She attended a Christmas party for the employees. I was practically a kid, a low level laborer. She came over and was so kind and genuine towards me. I had no idea who she was until afterwards. It’s a moment that always had an impression on me. A truly kind lady.
