

Narda Hallstrom

June 6, 1939 ~ October 25, 2024

I am so sorry for your loss. Narda was my favorite patron at the State Library! We would be on the phone for at least an hour anytime she called. I will truly miss her and our conversations. She was a sweetheart.

So sorry to hear of your loss, we enjoyed the times we got to visit with your mom Todd.

- Brent and Pamela Adamson

I worked with Narda at American Express in the IT Dept. She was always kind and gracious, with a bit of a wicked sense of humor.
